I am a customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Water is already overpriced in our area. This is the third increase in 6 years. The last increase was 18%!! Another increase is NOT warranted. Apparently TCWS is not handling their business efficiently if they need another increase. Stop the waste and fix your problems, TCWS. Don't take it out on me!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
